Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 02 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry and cold outlook, with a few wintry showers.

This Evening and Tonight:
Any showers ease for a time, leaving a mostly dry start to the night with clear spells and frost. Cloud then increases from the northeast later, bringing further showers, these wintry over the hills. Minimum temperature -1 deg C (30 deg F).

Sunday:
A mostly cloudy day, though a few brighter intervals are possible. Mostly dry with any showers mainly being seen to the north and east. Feeling cold in the wind. Maximum temperature 6 deg C (43 deg F).

Outlook for Monday to Wednesday:
Windy with some rain possible on Monday after a dry start. Tuesday and Wednesday will be mostly dry and bright with an easing wind by Wednesday. Staying cold.
